

Simplification of type designations

Due to limited space in this catalog, we, sometimes, have to simplify the designation of the motorcycles.

'XT600Z Ténéré' for example is often shortened to 'XT600Z' and 'SR500 types 2J4 and 48T' are shortened to 'SR500 alle', etc.

Please try to recognize the pattern and ask our staff in case of any doubt!

The following chart shows exemplarily the most used simplifications in this catalog, the main principles are always the same.
